

HIKING WITH HOPE 2024

EVENT OUTLINE

Location: Mount Major, Rte. 11, Alton N.H.

Date: Saturday September 14th – Start Time/Duration: 6:00AM-until...“Rain or Shine”

Goal: Hike Mount Major as many times as possible. * The average trip is 3.5 miles and 1,200 feet of elevation gain. (3 Trips = 10.5 miles and an elevation gain of 3,600 feet)

Benefit: All proceeds from the hike go to support the Step By Step Home for Children with Special Needs, in Ghana, West Africa. The home is run by Mike and Connie Stainsby of Epsom, NH. 100% of the money raised will be used to support the current children, and to prepare for additional children needing a home. These children are abandoned and have substantial life threatening cognitive, physical, and developmental disabilities. If not for the love of God, demonstrated by Mike, Connie, and the team at Step By Step, these children would have little hope. Our Three-fold Purpose - “A Home – A Hope – A Future” is being fulfilled by our Lord and Savior Jesus Christ, through this ministry of love. You can find out more about this life-giving non-profit organization, by visiting their website at: www.stepbystepworldwide.org

Format: *Individuals can set their own goals based on their abilities. You can hike Mount Major more or less times. You can even hike another mountain of your choice. You can choose to run, jog, or walk laps around a track. The purpose is to bring awareness to, and raise support for “Step by Step Home for Children with Special Needs.”

Each step is an investment in a child’s life.
